

# WHAT YOU NEED TO KNOW...

ABOUT HOW THE SECTOR IN NSW WILL GROW

Under the NDIS in NSW funding for disability supports will increase. This will create a strong, more diverse and bigger marketplace for people with disability to access supports from and achieve choice and control. This will also lead to significant jobs growth and business opportunities. This new NDIS marketplace will benefit people with disability, their families and carers and service providers.

## THE DISABILITY SECTOR IS SET TO GROW

**MORE FUNDING**

**MORE CHOICE FOR PARTICIPANTS**

**=**  **AROUND 30,000 JOBS** **ADDITIONAL**  
WILL BE NEEDED IN THE SECTOR
